50.2010.1 PUBLIC SPEAKING

A reply had been received from DDDC regarding the field opposite church yard, and that the matter had been passed to enforcement to deal with.

A letter had been received from the Hanging Basket contractor who said that they employed seasonal workers, which is one of the reasons why they had been removed, the parish council would liaise with them next year to agree a removal date.

The clerk reported that she had completed the form for the funding of the noticeboards through the Accessibility Partnership. Jane Flanagan would be willing to be a key holder for the noticeboard on the Green.

DDDC would endeavour to install the 3 new dog waste bins, and the litter bin, the siting of the dog bin near to the green was discussed and was felt that it should be sited in a more suitable position.

It was raised about 'grit bins' and residents take grit for their own use, it was decided to put notices near to or on the bins to that effect.

Chris Knightley would be willing to take over the web site input due to Tony Keys stepping down from this role, because he felt that the Information should have been more open and timely. It was suggested that all councillors should have their full contact details on the web site. This was not agreed to.

Mr Rigarlsford has sent a note in regarding the repairs to the church clock, and work should soon be carried out.

The funding bid to WREN had been unsuccessful. Work on the toilet block and improvements to the entrance and roof all need to be carried out.

The Parish Council said that it was important to recognise that a fantastic sum of money has been raised by the village hall committee.
