County Councillor for the Dronfield South
Electoral Division (Conservative)

SA6/JC

Dear Mrs Leighton

Further to your letter of 25 June I now have information back from the officer.

Your continuing concerns have been referred to the Principal Engineer from Traffic and Safety. Derbyshire County Council will continue to monitor vehicular and pedestrian traffic and will carry out a further count in October to ascertain whether there has been any change.

If there are significant changes it would provide an opportunity to apply for funding from 12/13 Capital Programme.

The tall hedge trimming has been booked and should be completed soon, if it has not been done already.

Yours sincerely
