Section 35 of the Planning and Compulsory Purchase Act states every local authority by law has to submit an annual report to the Secretary of State. Local Councils should give information about the action they have taken under the duty to co-operate - to their communities, in their Authority Monitoring Report.

The report should include actions to secure the effective co-operation of others and respond to requests for co-operation.

This should be done at least once per year, and should be published on the Councils website.

We are not sure the Plan complies with the Planning and Compulsory Purchase Act.

An up to date Monitoring Report does not appear on the Council's web site, the last report posted is 2012/13

We believe reports should be done annually to ensure transparency.
