

TANSLEY PARISH COUNCIL
AFFORDABLE/SOCIAL RENTED HOUSING WITHIN TANSLEY

The Parish Council's attention has recently been drawn to the fact that though provision has been included in the planning approvals for a small number of Affordable Rentable housing units within approximately 100 new houses either already completed or under construction within Tansley, none to date have been allocated to existing Tansley residents.

The Parish Council understands that there may be a need for such rental properties. In order for the Parish Council to make meaningful representation to Derbyshire Dales District Council, that 'need' has to be assessed.

Whilst the Parish Council has no power to allocate new homes, we may be able to help lobby for Tansley residents or people with strong local connections.

If you are a Tansley resident or have strong local connections to the village and are in need of a social rented home, please print off and fill in the attached form. (See below) All information will be confidential, and only shared with Derbyshire Dales District Council.

Completed forms can be deposited in the Parish Council letter box, at Tansley Community Hall, Church Street.

ALL forms to be deposited by Monday 11th September.

ALL response forms to be destroyed within 3 months.

Thank you for your help.
